Certificate

IMPAKT 2017 Breast Cancer Conference

Brussels, Belgium (04.–06.05.2017)

has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME)

.to provide the following CME activity for medical specialists

IMPAKT 2017 Breast Cancer Conference

.(is designated for a maximum of, or up to 12 European CME credits (ECMEC

Hassan Nourmohammadi

Iran

has been awarded ___ European CME Credits (ECMEC)

.Each medical specialist should claim only those credits that he/she actually spent in the educational activity

The event has also been accredited with 12 ESMO-MORA category 1 credits.

Certificate of attendance for ESMO congress virtual congress2020

19september – 21september 2020

From 2016 till now;

All patients that I've done HSCT for them, nearly 50 patients,

Including;

15 multiple myeloma with average ages 60 years old /Autologous BMT

10 acute leukemia (ALL,,, AML) with different subtypes of AML and ages between 20 to 55 years old/allogenic BMT with siblings and related and unrelated donors,

Most of them now alive with mild to moderate GVHD, 2 expired, and others live with severe chronic GVHD

One male CML patient/53 years old, his donor was his full match 45 years old sister (expired,, due to severe GVHD and sepsis)

One patient with non-seminoma germ cell tumor, refractory to all protocol chemotherapy for GCT/Autologous HSCT

About 10 patients with major thalassemia/allogenic BMT

About 10 patients with relapsed NHL(DLBL,,, FL,,, mantle,, and,,)
/Autologous BMT

One male patient(dentist) 40y/o with Hodgkins lymphoma(he was my colleague, unfortunately expired
